Subject: Re: Relation multiplicity AssociatedNetElement to PositionedNetElement
Posted by Alain Jeanmaire on Fri, 07 Oct 2016 08:40:38 GMT

Dear Regina,
thank you for your analysis, and contribution to improve the quality of RTM model

on behalf of Gilles Dessagne,

This is effectively an error in the current version of model.
The cardinality toward PositionningNetElement should be 1 and not 1..*.

The correction is under work.

Best regards
Alain Jeanmaire
