Subject: Re: railML 2.3 infrastructure extension proposal tunnel resistance factor
Posted by christian.rahmig on Fri, 21 May 2021 14:45:29 GMT

Dear all,

as there has been no objecting feedback, I concluded the discussion on this topic. The proposed attributes have been implemented in the schema files of upcoming railML 2.5 as described in Trac ticket #426.

Best regards
Christian
