Subject: Feedback RTM 1.1 (for RTM working groups)
Posted by Olivier Boudou on Thu, 15 Jun 2017 11:46:11 GMT

Dear All,

We open this topic to collect feedback from RTM working groups members, on the draft version 1.1 of RTM which is not yet published. Feedback is very important for delivering quality, do not hesitate to spend time there.
When RTM 1.1 gets delivered on www.railtopomodel.org, we will close this thread and open another one for everybody to bring feedback.

Regards,

Olivier Boudou

Role name harmonization is taken on board. Anything else?
