railML.org keeps and publishes a registry of its partners. For this purpose, please send a digital copy or scan of this completed and signed*** form along with the following information:

1. Short introduction about your entity in English (also in German, if available) that complies with the following formalities:
 - a. approximately 150 words (per language),
 - b. bold, italic and underlined accentuations are allowed and
 - c. Approved logotype of your entity as vector file (SVG or EPS).
2. The representative to be listed as the public contact on the website shall create an account at www.railML.org. This further enables good communication and beneficial cooperation between your entity, the whole community and our governance / scheme coordinators.
3. A link to the website of your entity's specific department dealing with railML.
4. Your main area of work (RU, IM, Software provider, Consultant, Public Authority, Research).
5. Inform us about any software with railML interfaces developed or used by your company too.

Please send documents to the Organisation Team and Governance Coordinator. Once processed, a copy of the Partnership Agreement signed by railML.org Representatives will be returned to you.

* Required field. *(Unfortunately, incomplete forms cannot be processed.)*

** Definitions and more detailed information see "Partnership Terms and Conditions" on railML's website.

*** Qualified electronic signatures like eIDAS (EU Regulation No 910/2014) are also accepted and binding.

With their signature, the representative(s) of the above-named entity agree with all terms and conditions as stated in the "Partnership Terms and Conditions" document in the current edition.
