Subject: Discussion Rules
Posted by Nils Poldrack on Fri, 10 Sep 2004 08:59:47 GMT

Hello,

some minutes ago I published a new but unfinieshed document containing
"Rules for Discussion at railML.org Discussion Forum". This is only
version 0.50.

What do you think which rules are neccessary too? Please, send me your
comments and ideas. Thank you.

Nils Poldrack
