Subject: Re: How to name a "non-fixed" balise?
Posted by Thomas Nygreen JBD on Mon, 01 Apr 2019 11:32:17 GMT

The terminology used in the ETCS specification is: "Balises are of either fixed type or controlled type." (source: "FFFIS for Eurobalise", ETCS SUBSET-036, version 3.1.0, December 17, 2015
